Subject: Communication to Clients | Change in Domain and Generic email ID

Dear Sir / Madam,

We are excited to announce that as part of our rebranding to MUFG Intime, we have made changes to our domain and email addresses to align with our new identity.

Effective immediately:

- Our domain name will change from <https://linkintime.co.in/> to <https://in.mpms.mufig.com/>
- Our generic email ID from which you receive reports will change from @linkintime.co.in to @in.mpms.mufig.com.

Please update your records to reflect this change. We kindly request that you whitelist this new email address to ensure that our emails do not end up in your spam or junk folder. Failure to do so may result in missed communications, which could potentially impact the timely receipt of important information and regular reports.

Rest assured, we are taking every measure to ensure that you continue to receive regular reports on time. We ask for your patience and understanding during this transition period, and we apologize in advance for any delays you might experience.

Thank you for your continued support and cooperation.

Yours faithfully,
Team-MUFG Intime
